

The 2nd China (Panjin) International Petroleum Equipment and Heavy Oil Technology Exhibition

Date: 15 - 18 September, 2010

Venue: Liaohe Petroleum Equipment Exhibition Centre, Panjin, Liaoning

A September 13th to 15th ,2010

08: 30--22: 00 Registration

B September 15th ,2010

1)08: 30--17: 00 International Seminar on Heavy Oil Development

2)14: 00--17: 00 CNPC Petroleum Equipment Order Placement Meeting & Pumping Products Bidding Conference

C September 16th ,2010

1、 09: 30—10: 00 Expo Opening

2、 10: 00—11: 00 Visit the Expo

3、 11: 00—11: 30 Signing ceremony

4、 12: 00—13: 30 Reception Luncheon

5、 14: 00—16: 00 Visit Panjin Petroleum Equipment Manufacturing Base

6、 14: 00—17: 00 Petroleum Equipment Industry

Development Forum

D September 17th ,2010

1、 08: 00--11: 30 Petroleum Equipment Industry

Development Forum

2、 16: 00—16: 30 Press conference

Sponsors:

China National Petroleum Corporation (CNPC)
The People's Government of Liaoning Province

Contractors:

Petrochina Equipment Manufacturing Branch Company
Petrochina Liaohe Oilfield Company
Petrochina Greatwall Drilling Company
Petrochina Liaohe Petrochemical Company
Shougang Group
Liaoning Economic and Information Technology Committee
The People's Government of Panjin City

Coordinators:

The Administrative Committee of Panjin Production Base of Petroleum
Equipment
The People's Government of Xinglongtai District, Panjin

Introduction of the exhibition:

Co-hosted by China National Petroleum Corporation (CNPC) and the People's Government of Liaoning Province, the 2nd China (Panjin) International Petroleum Equipment and Heavy Oil Technology Exhibition will be held at Liaohe Petroleum Equipment Exhibition Centre, Panjin, Liaoning in 21-23, September, 2010.

The 1st China (Panjin) International Petroleum Equipment and Heavy Oil Technology Exhibition was successfully held on 12-13 September, 2009. There are 320 exhibitors in total in which 22 exhibitor from abroad and 298 exhibitors from CNPC, Sinopec,

CNOOC ,etc.. Over 80 businessmen and guests from 15 foreign countries and regions, that is US, Russia, Canada, France, Germany, Holland and Korea etc. attended the exhibition. The professional audiences and purchasers are about 20,000 and trading volume is about 10 billion RMB.

10 supporting activities of the 1st China (Panjin) International Petroleum Equipment and Heavy Oil Technology Exhibition are petroleum equipment order placement meeting, international heavy oil forum, promotion conference, technical achievements issuance and theatrical performance, etc... Each activity has gained great achievement. Especially the international heavy oil forum brings forth the most advanced heavy oil exploration theory, technique and research achievements home and abroad and represents the highlights in the international heavy oil industry.

Sectional reports on the International Heavy Oil Forum in the 1st China (Panjin) International Petroleum Equipment and Heavy Oil Technology Exhibition:

Application of REDA Electrical Submersible Pumps in the exploitation of heavy oil by Schlumberger

Heavy oil exploitation and SAGD by Halliburton Company

Supporting techniques in exploitation of heavy oil of middle- and deep- layer by Shengli Oilfield Company

: Technique prospect of heavy oil exploitation in Liaohe Oilfield by Liaohe Oilfield Company

Application of valve under mal-condition by Master Flo Valve Inc.

Water flooding to raise the recovery factor by CNPC

The 2nd China (Panjin) International Petroleum Equipment and Heavy Oil Technology Exhibition will realize the grade and scale promotion as well as the internationalization level based on the achievement of the former exhibition. It is estimated that the exhibition scale will be doubled and the exhibitors will be more than 500, professional visitors and purchasers over 20000.

Supporting Activities:

International heavy oil forum

International seminar on petroleum equipment standardization

Issuance of petroleum equipment order placement

2). CPIPEE is the one and only professional exhibition held by China National Petroleum Corporation (CNPC) so far. Its subordinate pivot enterprises attend the exhibition with uniform image and style (list enclosed). Also CNPC sent purchasing group to fulfill the part purchasing volume of the year. Including CNPC, the contract value in the 1st China (Panjin) International Petroleum Equipment and Heavy Oil Technology Exhibition is about 10 billion RMB.

Establish free platform and provide professional service to realize the non distance contact between exhibitors, purchasers and manufacturers.

It is the one and only exhibition held at the location of oilfield, petroleum equipment origin and cluster.

五 展品范围

Exhibit Profile

■油气勘探、开发与生产设备

Oil & gas exploration, development and production equipment

■物探、测井、钻井技术与设备

Technology and equipment for geophysical survey, well logging and drilling

■油气田地面技术设备

Oil & gas fields ground technology and equipment

■自动化技术装备、仪器仪表

Industrial automation plant and instruments

■油气管道建设工程技术和设备

Oil & gas pipelines construction technology and equipment

■动力机械设备

Driving machinery

■油田特种车辆

Special vehicle for oil field

■设备检修、维护

Examination & repair, maintenance of equipment

■流体机械设备与技术

Fluid machinery

■油田环保、节能设备

Oilfield environmental protection, energy saving equipment

■石油石化设备与制造

petroleum & Petrochemical equipment and production

■工业防爆产品

industrial anti-explosion product

■电工电气设备、电线电缆产品

Electric equipment , wires and cables

- 石油石化科研及实验室技术设备
scientific research and lab equipment for petroleum & petrochemical industry
- 石油炼制工艺与技术
Refining equipment and technology
- 石化工艺与技术
Petrochemical technique
- 燃油与润滑油技术与设备
technology and equipment for fuel and lubricant
- 环保、节能与安全管理
HSE management
- 工业清洗及防腐技术材料与设备
Material and equipment for industrial cleaning and Antisepsis
